

Diotrol Golden Oil Floorsoap

#70355

Description Diotrol Golden Oil Floorsoap cleans gently and maintains sustainable all oiled wood surfaces by re-greasing. Due to selected natural products, the surface regains it's natural freshness.

Application area Diotrol Golden Oil Floorsoap is suitable for any oiled wooden surface (such as parquet floors, tables, chairs, or cabinets), or natural stone floors for gentle cleaning indoors or outdoors.

Binder & reactive agents Soap made from coconut and linseed oil

PH value 9

Instructions Depending on the degree of soiling, add at least 1 cap of Diotrol Golden Oil Floorsoap to 1 litre of water and clean the surface as usual with a brush or cloth.

If there are visible grease or water stains, Diotrol Golden Oil Floorsoap can also be used undiluted. Rub in Floorsoap with a cloth or brush, wipe off with a damp cloth, then wipe dry.

Packaging 1L

Storage 12 months in appropriate, cool place in closed original packaging. Store in a cool and dry place.

Remarks This information is due to the current, technical know-how and is meant as recommendation and advice. Concerning all mentioned paint coat structures, we do not maintain completeness. Insufficient wood quality, lack of constructive wood-protection, drying cracks in solid wood and otherwise identified faults have to be admonished by the customer before painting or glazing. Because of the diversification and different kinds of substrates and practice, the user has to test our products mainly for his own purpose and has to use and apply them properly. For this, he is fully responsible. Verbal advice must be fixed obligatory by a signed document. If a new issue will be current, this edition will be no more available.
